I want you to know... I know I haven't told you enough, but did you know? Just wanted to tell you... have I told you lately? Sometimes I forget to tell you... or not enough. Do I tell you enough? I'm not always good at saying it, but I do. I re words seldom express just how much... about you, and I wanted you to know. Do you know? I want you to know... I know I haven't told you enough, but did you know? I want you to know... I know I haven't told you enough, but did you know? Just wanted to tell you... have I told you
